Dear Friends

This is Pastor Behnam from Iran. I am serving my six-year prison sentence, on charges of my belief in Jesus Christ and evangelising the kingdom of God. It is a great privilege to talk to my beloved family in Jesus.

Many of my cellmates in prison ask me why I am paying such a huge price for my belief in Jesus Christ. They ask me why I don't just deny my belief and go back to my wife and children? I then ask myself: what cost did the Lord pay to save me, and to transfer me from the kingdom of darkness to the kingdom of light? The death of Jesus Christ on the cross, blood of the Lamb of God! Yes, this is a huge price.

Therefore, I am also able to prefer prison over being set free. I have decided to keep my faith in our Lord and stay in prison. Jesus said: if you love your life more than Me then you do not deserve Me.

"I encourage you to understand the value of your faith. We have received salvation for free but remember it was not free. God paid for it. He sacrificed his beloved Son Jesus Christ. Remember that there is only one way to God and Jesus told us about it...

"Let Jesus have access to all parts of your life and allow Him to be the Lord of your life. Try to become like the Son of God Jesus Christ and think and act like Him.

God bless you. Amen.
